

In Person Interview Pre-work

Congratulations for making it past the initial interview for a position at this school. Prior to coming to our school for the next interview, the leaders and staff would like for you to review and prepare a number of items. Before your follow up interview please:

- 1) Send us a video of you teaching a lesson with the students of your choice. Please send a clip showing the start of the lesson. Please send a 20-30 minute clip showing the start of the lesson that includes audio and students. We will be observing for setting the object, interactions with student, student interaction and how you know they learned. Please note that your sample lesson will be used as a discussion point during your follow up interview.
- 2) Send the lesson plan for the lesson you provide
Lesson should include:
 - Standards alignment
 - Clear objective
 - Essential questions with ideal student responses
 - How you plan to conclude the lesson
 - How would you check for understanding during the lesson
 - Provide the material you would use to evaluate students or to determine areas for reteach
- 3) We value our students, their pasts and their opportunities. During your visit to our school, you will have an opportunity to express your thoughts and ideas regarding equity. During the session, you will have 30 minutes to individually watch a video clip and respond to it based on your experience, beliefs and priorities. Please be prepared to share your thoughts and expertise.
- 4) Finally, you will have time to meet with our Staff and Students and eat lunch with students. Please prepare any questions you might have for the students and staff.

Best of luck.
