

Staff Evaluation Form

Collegiality and teamwork are high priorities at our school. This session gives candidates the opportunity to meet with current school faculty and staff to better understand the school. Candidates are welcome to ask the current faculty and staff any question they choose if it will help them determine whether this school is the right match for them as a teacher. Please note: All Human Resource questions should be directed to the Leaders for accurate information.

Did the candidate legitimately seem interested in teaching at this school?	
Do you believe the candidate cares about teaching?	
Do you believe the candidate could care about our students?	
Do you feel the candidate could get behind and live the our vision?	
Does the candidate appear to have a growth mindset?	
Do you believe the candidate could challenge your students in an authentic fashion?	
Do you believe the candidate can take feedback and continue growing as a professional?	
Could you see the candidate as one of your colleagues	
What is your overall perception of the candidate?
